

OneBox

Address Book Management + Reminders + Personal Data Management

This software maintains the complete address and contact details of all your contacts. It maintains Group wise and Category wise Name, all addresses like Office, Residential, Factory, Hospital or whatever applicable. It also maintains contact person name, mobile nos., email, web site, Birth Date, Wedding Date, Blood Group etc. You can also specify that the particular person is related with various commercial, social or any other activities, and can also make search for any specific activities. You can also search for any contact based on Name, City, State, Blood Group, Category, Group and many other criteria. You can also Print List, Addresses on Label Sheet or directly on Envelope. You can also perform Mass Replacement like change of phone no. by telephone service provider, change of city name etc.

You can enter your meeting schedules, reminder for specific work and the software will remind you for that specific work. You can also specify the frequency of that work like Monthly, Bi-Monthly, Quarterly, Half Yearly and Yearly.

Now the main problem of all of us is to maintain some crucial and important data like License No. and expiry date, Passport No. and expiry date, P.A. No., Ward No. provided by Income Tax Dept., Gas Cylinder Customer No. and many more details like that. This software also assist you to maintain all these details and remind you before the things get over.

Other than this, the software is also maintaining details like:

- Vehicles Details like Reg. No., Engine No., Chases No., Insurance Policy No., Premium Amount and Mode of Payment of your all vehicles.
- Insurance Details like Policy Type, Plan, Term, Policy No., Sum Insured, Insurance Co., Agent Name and Contact No., Premium Amount and Mode of Payment, Maturity Date of all yours and your family's Policy Details.
- Credit Card / Debit Card Details like Card Provider Company, Card No., PIN No., Verification No., Valid Thru, Expiry Date, Transaction Limit, Billing Cycle, Bill Due Date etc.
- Phone and Mobile Details like Phone No., Provider Company, Start Date, Plan Details, Validity up to, Billing Cycle, Bill Due Date etc.

And many more other details and this software give reminder for all type of things like, Bill Due Date, Expiry Date, Policy Premium Dues etc.
